In the event any ambiguity is found to exist in the interpretation of this Agreement, or any of its provisions, the Parties, and each of them, explicitly reject the application of any legal or equitable rule of interpretation which would lead to a construction either "for" or "against" a particular party based upon their status as the drafter of a specific term, language, or provision giving rise to such ambiguity.
- 10. ENFORCEABILITY. The invalidity or unenforceability of any provision of this Agreement, whether standing alone or as applied to a particular occurrence or circumstance, shall not affect the validity or enforceability of any other provision of this Agreement or of any other applications of

such provision, as the case may be, and such invalid or unenforceable provision shall be deemed not to be a part of this Agreement.

11. DISPUTE RESOLUTION. The parties will attempt to resolve any dispute arising out of or relating to this Agreement through friendly negotiations amongst the parties. If the matter is not resolved by negotiation, the parties will resolve the dispute using the below Alternative Dispute Resolution (ADR) procedure.
